At Cleveland Institute of Art you’ll live, learn, and work in an artist’s community.

Surrounded by creative-minded friends and mentors, you’ll find inspiration inside and outside the studio. On-campus or off-campus you’ll experience a community full of cultural energy, ethnic neighborhoods, and an accessible downtown.

Our campus sits in the heart of University Circle, recently named by Forbes Magazine as one of the most beautiful communities in the country. Our neighborhood is home to world-renowned cultural, educational, and healthcare institutions and more than 11,000 students.

Downtown Cleveland is less than five miles from campus, where you can sample the city’s hottest restaurants, take in a music or comedy show, or tour dozens of independent galleries, art walks, and community festivals. If you’re a sports fan, plan on cheering on the Cleveland Indians, Cavaliers, or Browns at their downtown venues.

So make a weekend of it, and explore why we think Cleveland’s the ideal place to nurture your creative practice.
