*Confidential Advisors can take a report of sexual violence but are not required to file a report to anyone else. These persons provide support and advice to anyone reporting sexual violence.

On-campus Sexual Violence Resources:

Note: The persons listed below are “Designated Reporting Officers” (DRO) and as such can take a report concerning sexual violence. As DROs, They are required to investigate that report. They are NOT confidential advisors. They will respect the privacy request of any reporting person to the fullest extent possible during the course of their investigation. They also provide support and advice to anyone reporting sexual violence.

Any member of the CIA community who is told by about an incident of sexual violence is required to report that information to a Designated Reporting Officer.
