Subject: Thanks for your questions and patience

Good morning!

Thanks so much for the many questions you sent to Matt Smith and me after you received the message from President Nunes last night. Be assured that I have read them all, and am contacting the appropriate people on campus to assemble the answers.

I will put together a FAQ that will be listed on the <https://www.cia.edu> site (click on the COVID-19 box at the top of the page) as soon as possible.

Meanwhile, do not hesitate to send me your questions. It will be easier if you send email than try to catch me by phone.

Thanks for your patience on this as we put everything in place to help you continue your studies. Take care of yourself.

Nancy
